

The River Houses + Modern Mill

THE CABLE MILLS COMMUNITY

The River Houses + Modern Mill are the latest addition to the completely revitalized 9-acre Cable Mills site. Formally a wire and cable factory dating back to the post-Civil War era, three abandoned industrial mill buildings were dramatically transformed through creative and adaptive re-use into 61 beautiful apartments, creating a charismatic new community within Williamstown. Enjoy stunning southeast views of the famed 'Purple Mountains' and live steps from the Green River, with bucolic Water Street right behind and walking distance to all that awaits downtown.
